

Boma Assembly instructions

kettal

Boma Sofa

Crossed legs

Description

The Boma collection, designed by Rodolfo Dordoni for Kettal, was born from the need of high performances of outdoor environment, without sacrificing the increasing demand for comfort that new products have to face.

Therefore the structure is organized around a frame entirely made of aluminum, capable of hiding in the essentiality of its lines either the quality of the used materials and the chance of easy articulation in different compositions.

cm/inch

264/103,9

79/31,1

66/25,9

43/16,9

cm/inch

92/36,2

Information

Cleaning Instructions

Use a soft damp cloth, with soap or neutral detergent.
Do not use alcohol or other solvents.

This symbol on the product or its packaging indicates that it must not be treated as household waste. It should, in fact, be handed in at a recognised collection point for recycling electrical and electronic equipment. For more detailed information about the recycling of this product, please contact your local city office, your household waste disposal service or the shop where you purchased the product.

This product is suitable for indoor and outdoor.
